

NEWS RELEASE

TVS REGZA CORPORATION Joins ULDAGE Patent Pool For  
Japanese Digital Television Cable Broadcasting Standards

(Tokyo Japan – Oct.1. 2023) ULDAGE Inc. announced today that TVS REGZA CORPORATION has joined the patent pool for Cable TV Standards making its essential patent licenses available through ULDAGE Inc. The joining of TVS REGZA CORPORATION to the pool now makes the number of companies 16\* which are licensing their essential patents for Cable TV standard through ULDAGE Inc., resulting in further simplification of the complicated patent issues for those who use Cable TV standards.

ULDAGE Inc. welcomes having additional holders of essential patents so as to further expand the program.

The essential patents owned by TVS REGZA CORPORATION will be published as from October 1, 2023 on ULDAGE's website.

\*Dolby International AB, INFOCITY, Inc., InterDigital CE Patent Holdings, SAS, JVC KENWOOD Corporation, KDDI CORPORATION, LG Electronics Inc., Maxell, Ltd., Mitsubishi Electric Corporation, NEC Corporation, NHK Foundation, Nippon Hoso Kyokai (NHK), Orange SA (Formerly known as France Telecom, SA), Sharp Corporation, Sony Group Corporation, Toshiba Corporation, TVS REGZA CORPORATION.
