

Notice of Relocation of Headquarters

September 1, 2026

ULDAGE Inc.

ULDAGE Inc. (“ULDAGE”), a company for patent pool license management and administration, relocates its Headquarters to the new building in front of the JR Tokyo Station’s Yaesu Exit.

ULDAGE licenses implementors a package of over 1,000 essential patents which are relating to the current digital television broadcasting standards through the patent pool scheme. Through this approach, ULDAGE has made substantial contributions for the promotion and market growth of digital television broadcasting system to fully resolve the underlying patent issues for sales and production of broadcasting receivers and broadcasting services.

This time, the Headquarters is relocated from the Marunouchi Yusen Building to the TOFROM YAESU THE FRONT in front of the Tokyo Station’s Yaesu Exit so that it’s more convenient for all the customers including patent owners and licensees. Taking this opportunity, our employees as a team will work hard to provide higher quality services for the clients in order to achieve our goal of “United License” as the origin of our company name. Thank you in advance for your continuous support and cooperation.

[Overview of the new Headquarters]

About ULDAGE

ULDAGE was established in July 2006, aiming for the resolution of entanglement of patents through cooperation among parties concerned and for the creation of fair competition in this digital age. ULDAGE grants non-exclusive licenses to essential patents of multiple parties in a single package, and its business offers convenience to both patent holders and implementors.

Headquarters: Yusen Building, 2-3-2 Marunouchi, Chiyoda-ku, Tokyo
